REPLY COMMENTS OF MAURICE SALSA

I, Maurice Salsa, hereby respectfully submit this Reply to Comments filed by KTCY Licensing, Inc. ("KTCY") in the above captioned proceeding.

DISCUSSION

On September 28, 2001 the FCC released a Notice of Proposed Rule Making for Channel 284A at Antlers, Oklahoma. On or about October 29, 2001 I filed an expression of interest for Channel 284A at Antlers, Oklahoma. These Reply Comments are in support of Channel 284A at Antlers and a response to KTCY's counterproposal in the above captioned proceeding.

KTCY is the licensee of Radio Station KTCY (FM), Pilot Point, Texas operating on Channel 285C1. KTCY counterproposes that Channel 285C0 be added at Pilot Point, Texas and that Radio Station KTCY (FM)'s license be modified accordingly. Additionally, KTCY proposes in the above captioned proceeding Channel 227A at Antlers, Oklahoma in lieu of Channel 284A. They are also proposing a new allotment reference site for Channel 226A at Wright City. And finally, KTCY is proposing Channel 265A at Broken Bow, Oklahoma in lieu of Channel 285A.

The KTCY counterproposal cannot be accepted as it is proposed. First of all, 227A at Antlers is not available due to KKNG Newcastle, Oklahoma 227C allotment. 227A at Antlers is short -25.8 Km to KKNG 227C Newcastle. The attached channel study shows that Channel 227A cannot be allotted to Antlers, Oklahoma in compliance with the Commission's spacing rules at the site proposed by KTCY.

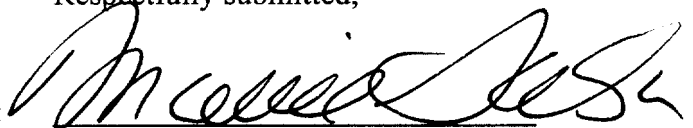

Additionally, 227A at Antlers, Oklahoma is not available due to a prior filed rulemaking petition for Channel 227A at Red Oak, Oklahoma. It should be pointed out that KTCY's counterproposal of Channel 227A at Antlers, Oklahoma, in lieu of Channel 284A was only timely filed as of November 16, 2001. In KTCY's counterproposal for Broken Bow, Oklahoma, MM Docket No. 01-209, KTCY did not serve the petitioner for Antlers. Therefore, KTCY's counterproposal for 227A at Antlers in lieu of 284A is only timely filed as of the date of the Antlers counterproposal, November 16, 2001. (see Exhibit 1, Certificate of Service page for Broken Bow, Oklahoma, MM Docket No. 01-209)

For the foregoing reasons, I urge the Commission to allot Channel 284A to Antlers, Oklahoma. Should the Commission allot Channel 284A to Antlers, Oklahoma, I will apply for Channel 284A, and after it is authorized, will promptly construct the new facility.

The information provided in these Reply Comments is correct and true to the best of my knowledge.

Respectfully submitted,

By:
